

ANNE GRAHAM LOTZ
EFFECTIVE PRAYER
“... for such a time as this...”

July 29, 2020

Dear Friend:

We have some wonderful news to thank the Lord for and to share with you! As you probably remember, Anne Graham Lotz was scheduled to speak on “Effective Prayer for Such a Time as This” in September 2018 at the Winthrop Coliseum.

First it was the hurricane two years ago, then Anne’s cancer treatment (successful), the Coliseum schedule and now the pandemic - all have delayed getting Anne’s timely and vital message to us.

But God does work in all things for good. Consequently we are grateful to announce:

Anne will lead a live stream session

New Date: Saturday, October 3,

from 10:00 am to 12 noon, EST.

Acclaimed contemporary Christian musician Fernando Ortega will be part of the program.

Not only will Anne’s message go out to the Rock Hill area, but also now her message can be shared with others throughout our nation and the world!!

The September event had been tentatively scheduled for the new 5,000-seat arena at the Rock Hill Sports & Event Center. Because of safety and the uncertainty of the pandemic’s impact on crowd sizes in September, the Team and Anne made the decision to host a live streaming event. **Streaming will allow all to experience this meaningful Event free of charge wherever you are throughout the world!** What joy we all can now share that the outreach of Anne’s message has been greatly expanded through live streaming!

We appreciate those who left their donations and \$10 ticket fee with us to underwrite operational expenses to share Anne and Fernando with the world!

Put Saturday, October 3, on your calendar. We humbly give great thanks to God for opening doors for Anne to deliver this much-needed message in this way during this pandemic ... and to such a broad audience. Please pray for October 3!

If My people, who are called by My name, will humble themselves and pray and seek My face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. – 2 Chronicles 7:14
